WILLIAM DILBERT

FOR IMMEDIATE RELEASE

Emerging author William Dilbert publishes a collection of Supernatural short fictions titled *Crossing Over* through smashwords.com

Tampa, FL - February 13, 2021 - Breakout author William Dilbert shows off the publication of a supernatural anthology of short-fiction stories, *Crossing Over*, now available for purchase from Smashwords.com for \$5.99.

The first story in this anthological collection is titled "A Game of Cards" tells the tale of a down-and-out individual following an uneventful day that has left him worn and hopeless. This tone sets the story in a relatable and realistic realm, but soon enough, the unnamed character discovers that there may be more to life than this single moment of doubt.

In "Dragon's Den," Dilbert diverges from the hopeful and optimistic tone present in his first tale. As we are introduced to one Arden, a well-established socialite in a seemingly Victorian setting, it becomes clear that something odd is afoot. Dilbert magnifies this feeling with a slow building conflict, a raging thunderstorm, and an uninvited guest.

The final tale, "Shade," is a tale of sadness and chilling loneliness. It acts an introspection into the human mind and brings forth the depths of human despair in the form of an old man by the name of Ackerson. With this story, Dilbert presents his readers with a quick glance, through a small window, into the cold and empty corridors of Ackerson's long-quiet home, giving a glimpse at the monsters we make ourselves.

William Dilbert is a video game writer with a love for worlds of fiction, fantasy, and the realms of science. His writing explores ideas that necessitate the development of true-to-life worlds, whose inhabitants bring forth the audience's limitless imagination through fantastic and suspenseful storytelling. William is currently pursuing his education at Full Sail University,

earning his Bachelor of Fine Arts in the field of Creative Writing. William is set to debut his first publication in the literary journal *Scarlet Leaf Review*, a small step on the path to his ultimate goal, creating a world where his stories can make life just a little more magical.
